I AM my I AM Presence and I AM One with the I AM Presence of ALL Humanity. As One Voice, One Breath, One Heartbeat, and One Energy, Vibration, and Consciousness of Pure Divine Love we invoke the most intensified frequencies of the 5th-Dimensional Crystalline Solar Violet Flame that Cosmic Law will allow.

Saint Germain and your Legions of Violet Fire Angels, we ask that you blaze, blaze, blaze this Violet Flame with the power and might of a thousand Suns in, through, and around every thought, feeling, word, action, memory, and belief that Humanity has ever expressed in any time frame or dimension, both known and unknown, that is reflecting anything less than Heaven on Earth.

Transmute this energy cause, core, effect, record, and memory back into its original perfection and seal it in an invincible forcefield of God's Infinite Light.

We now invoke the Goddess of Liberty who takes her strategic position at the Cardinal point to the North of this Planet. We now invoke the Goddess of Divine Justice who takes her strategic position at the Cardinal point to the East. Now we invoke the Goddess of Freedom who takes her strategic position at the Cardinal point to the South, and the Goddess of Victory who takes her strategic position at the Cardinal point to the West. Joining these powerful Beings of Light are the Silent Watchers, the Mighty Guardians, and ALL of the Beings of Light who are assisting Humanity at this time from the Heavenly Realms as we establish the patterns of perfection for the New Earth on the physical plane.

Blessed Ones, come now, and blaze forth the most powerful cleansing activity of the 5th-Dimensional Crystalline Solar Violet Flame that Humanity and the Earth are capable of receiving during this Cosmic Moment.

Humanity's I AM Presence now opens the Stargate of our Heart, and instantly we are the Open Door for this unfathomable frequency of the Violet Flame. This exquisite Sacred Fire pulsates through our Heart Flames and blazes in, through, and around all inharmonious actions, all lower human

consciousness, and all obstructions of the Light that any person, place, condition, or thing has ever placed in the pathway of Life's perfection.

Through the Divine Power of Liberty, Justice, Freedom, and Victory the Violet Flame Transmutes this discordant energy back into Light - cause, core, effect, record, and memory - NOW and FOREVER.

With the influx of this unprecedented frequency of the Violet Flame the Silent Watchers over every country, state, city, town, village, and hamlet on the Planet now reach out their great loving arms and raise up a limitless number of Lightworkers in every location who are willing to participate in the faithful use of the NEW 5th-Dimensional Crystalline Solar Violet Flame of God's Infinite Perfection.

Each of these Lightworkers understands the full importance of this sacred gift now being offered by our Father-Mother God to help free Humanity from all of our human miscreations.

The conscious use of this Sacred Fire from the Heart of God will cause to be established within every one of these places great Forcefields of the Violet Flame, which will continually bathe every person in each vicinity.

Now, through the Clarion Call of the I AM Presence of every person on Earth and the Legions of Light throughout infinity, this monumental Violet Flame begins to expand and expand.

It merges with the Immortal Victorious Threefold Flame, the Divinity that is blazing in every person's heart, and expands into a tremendous Starburst of Light.

This influx of the Violet Flame now increases exponentially to the intensity and might of a thousand Suns.
