

Empowering Our Planetary Grid of Transfiguring Divine Love

Patricia Cota-Robles

www.eraofpeace.org

Breathe in deeply and go within to the Divinity of your Heart Flame as you participate in this activity of Light with the full power of your attention and your Divine Intentions.

I AM my I AM Presence and I AM One with the I AM Presence of ALL Humanity. As One Voice, One Breath, One Heartbeat and One Energy, Vibration and Consciousness of Pure Divine Love we invoke our Father-Mother God and the Legions of Light throughout Infinity. Beloved Ones, come forth NOW!

We are One with ALL of these magnificent Forces of Light. Through our sincere Heart Call, they have joyously come to help Humanity's I AM Presence empower our Planetary Grid of Transfiguring Divine Love one thousand fold.

Beloved Legions of Light, we ask that you gather up every electron of precious Life energy being expended by Humanity during this sacred and holy time. Purify this energy with the power and might of a thousand Suns using the New 5th-Dimensional Solar Frequencies of the Violet Flame of God's Infinite Perfection. Weave this purified energy into the collective Cup of Humanity's Consciousness, so that every electron of precious Life energy released by the Sons and Daughters of God on Earth at this time will be used to exponentially expand the Light of God through the Planetary Grid of Transfiguring Divine Love which is now enveloping the entire Planet Earth.

Beloved Father-Mother God, we ask that you now Breathe the highest possible frequencies of Divine Love, Oneness and Reverence for All Life into every person's newly recalibrated Heart Flame.

In Oneness with the I AM Presence of every person on Earth and the entire Company of Heaven, we now affirm within the Divinity of our 5th-Dimensional Solar Heart Flame:

"I AM the Cup, the Holy Grail, through which the Light of God now flows to bless every particle and wave of Life evolving on this precious planet.

"I AM my I AM Presence, and I now invoke my Father-Mother God to Breathe their Infinite Light into our Planetary Grid of Transfiguring Divine Love. As this NEW and exquisite frequency of Light blazes through our Grid of Love it bathes the Earth and expands every person's Lightwork one thousand fold."

This unfathomable influx of our Father-Mother God's Infinite Light lifts every atomic and subatomic particle and wave of Life on Earth into a Higher Order of Being.

As this wondrous Light is anchored within the Divinity of every person's 5th-Dimensional Solar Heart Flame, it expands into the 5th-Dimensional Solar Heart Flame of every other person on Earth unifying Heart Flame with Heart Flame. Through this amazing activity of Light, the I AM Presence of every person becomes a power point of Divine Love and Oneness unified in consciousness with the I AM Presence of every other person.

Through this unified effort involving Heaven and Earth, we are greatly empowering our Planetary Grid of Transfiguring Divine Love. This Forcefield of Light is extending from the very depths of Humanity's pain and suffering into the highest frequencies of the 5th-Dimensional Realms of God's Infinite Light that Humanity has ever experienced. This Grid of Transfiguring Divine Love is the **Bridge to Freedom** over which this blessed planet and ALL her Life are now Ascending into the 5th-Dimensional Realms of Perfection on the New Earth.

Through this activity of Light, we are reclaiming our Divine Birthright as Sons and Daughters of God. We are truly becoming Love in Action. We are collectively changing the core vibration of the primal Light substance that has gone into creating the present negative conditions that are surfacing all over the planet to be healed and transmuted into Light. The I AM Presence within every person is the Open Door for these NEW and resplendent patterns of Transfiguring Divine Love.

We are now the CAUSE of Divine Love being permanently re-established on Earth. Together we are setting in place the basic spiritual forces of Divine Love over which the Earth and ALL her Life are at last Ascending out of our long exile in darkness into the 5th-Dimensional Realms of Light where the New Earth abides. The Love of God is now thriving on Earth through each of us, and through the I AM Presence of every person on this planet.

Through this activity of Light, Humanity is being raised into a profound awakening of supreme Love Consciousness. We are, here and now, the Masters of Love we were always destined to be. We are Beings of Love, accepting responsibility for Loving this sweet Earth and ALL her Life FREE. We are One with this blessed planet, and the planet is One with us.

Our Father-Mother God and the Company of Heaven are now intensifying their Light through every person's Heart Flame. This influx of Light is lifting ALL Humanity into a higher octave of Divine Service in preparation for the shift up the Spiral of Evolution that will occur during the *June 21st Solstice*. Today, every person on Earth is being permanently invested with a Cosmic Forcefield of Transfiguring Divine Love. This forcefield is initiating each of us into a higher order of service to both Humanity and Mother Earth, as our Lightwork is being intensified one thousand fold through our newly empowered Planetary Grid of Transfiguring Divine Love.

Beloved Father-Mother God, we accept that this activity of Light has been
God Victoriously Accomplished.

And so it is! Beloved I AM, Beloved I AM, Beloved I AM That I AM.

Dear One, thank you for your willingness to be the Open Door for this powerful expansion of Light within our Planetary Grid of Transfiguring Divine Love.

To bring the image of this Grid of Light tangibly into your personal space we have produced a beautiful poster of the picture Endre cocreated for us. If you are interested in having this poster to bless you in your home or office it is available on our website www.eraofpeace.org.
